NOTICE

We all are witnesses of several accidents due to casual use of fire crackers. For safety of all families, it is the responsibility of all students to use the fire crackers safely.

Hence for the safety of students, a time slot will be provided on November 08 & 09, 2023 for Pre-Diwali Celebration to use fire crackers safely in the campus.

I hope all students will follow guidelines effectively for the safety of their colleagues, seniors & juniors and staff members.

If any student is found in using fire crackers other than dates & placed mentioned above, college is forced to take stern action against candidates who compromise with the safety of students.
